

# ARNOLD CLC CORE PROGRAM

August 2014

**Welcome to the Arnold CLC Core Program!** We are thrilled to be providing the before and after school licensed child care for the youth of Arnold Elementary School again. We have numerous staff returning to provide the care needed, and are hiring more as we speak to meet the ratio we desire, and to provide the FUNdamental care you expect! Currently, we have over 80 youth registered for before school care and 55 for after school care.

Current programming before and after school is focusing on building community, teamwork, and sportsmanship among our participants. Not only are they getting to know each other, but they are taking part in fun games, enrichment activities, social opportunities, and physical fitness.

If you haven't picked up our School's Out Program Handbook, ask staff for a copy. It covers all the specifics related to our school's out programming.

If you have any questions, please don't hesitate to give us a call. Our cell phone on site that is only answered during program hours is (402) 560-2582. You can also reach us at the Air Park Neighborhood Center (402) 441-7876.

Because our after school program visits the school playground from time to time when the weather permits, and it's a long walk for you to and from Door #10, we'll be placing a bright **GREEN** piece of construction paper in the door identifying the times when ALL our youth are on the playground. If you see the paper hung in the door, you can proceed to the parking area on the Northeast side of the building to pick up your youth.
